Tailgating Registration for Larger Tents

In an effort to accommodate as many of our fans as possible during the '09 season, we encouraged fans to limit the size of their tailgating tents to 10x10 popups. However, we understand that at times, you may need a larger space to accommodate your tailgaters.

- All groups with tents on the Quad that are larger than 10' by 10' (none may be larger than 20' by 30') must register with UA Gameday. This registration is at no cost to you. By providing your name, email address, and a cell phone number where you can be reached during set-up and tailgating hours, we can contact you to communicate policies, procedures and schedules. We will also add your information to our emergency notification system. ***Please note that all tailgaters must adhere to the tailgating rules that are found on uagameday.com.***

NAME:

CELL PHONE:
(Provide a number where you can be reached during set-up and tailgating hours)

TENT LOCATION/LIGHT POLE #
(Numbers are located on top of the nearest light pole)

E-MAIL:

- All forms must be returned to the UA Gameday RV in front of Reese Phifer Hall at least 3 hours prior to gametime.
- Once your tent is registered, you will be given a UA Gameday sign that you must display on your tent.

I have read and understand UA Gameday's process for registering large tents on the Quad. I agree to abide by the rules and regulations as provided to me at time of registration and on www.uagameday.com.
